Sir:

INFORMATION DISCLOSURE STATEMENT

The Examiner's attention is directed to a related, commonly assigned, copending application, Serial No. 10/568,496, being examined by Mr. Berhane in Art Unit 4144. A recent (10/29/2008) office action issued by Mr. Berhane asserts a provisional double-patenting rejection based on the present application. Therefore, out of an abundance of caution, instead of paying the issue fee and publication fee herein, an RCE is being concurrently filed with this IDS so that the prior art cited in Serial No. 10/568,496 can be considered herein. A suitable Form PTO/SB/08a and copies of any non-patent documents cited therein are also attached.

Official consideration and citation of each such reference is requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
